COMMUNITY HIGHLIGHTS

» The most significant achievement in Fort Collins in the past year is the enhancement of our safe cycling culture. In April 2012 we launched the Bicycle Ambassador Program. This program was co-developed and is co-managed by the City of Fort Collins FC Bikes program and the Bicycle and Pedestrian Education Coalition (BPEC). A cadre of

Bicycle Ambassadors are trained and equipped to share rules of the road, trail etiquette, route finding and basic bike maintenance with others who are interested in riding more. The Bicycle Ambassador Program works to get more people riding, and fewer people experiencing related injuries.
