- » Adopt standards for bike parking that conform to APBP guidelines.
- » Increase the amount of high quality bicycle parking at popular destinations throughout the community.
- » Install a bicycle wayfinding system with distance and destination information at strategic locations around the community, integrating preferred on street routes and off-street facilities.
- » Paint the bike lanes on Crandon Blvd green and/or add a physical buffer between the bike lane and moving traffic.
- » Expand your system of bicycle boulevards, utilizing quiet neighborhood streets, that creates an attractive, convenient, and comfortable cycling environment welcoming to cyclists of all ages

and skill levels.

- » Have your Bicycle Advisory Committee meet monthly to scale up your BFC efforts.
- » Incorporate bicycling into the current transportation plan.
- » Expand encouragement efforts during Bike Month. Proclaim May as Bike Month. Host, sponsor and encourage bicycle-themed community events, campaigns and programs. Ensure to widely advertise all bicycle-themed community events and programs.
- » Offer bicycling skills training opportunities for adults. There are options from short videos and 1-2 hour courses to more in-depth training incorporating in-classroom and on-bike instruction.
