## 10 BUILDING BLOCKS OF A BICYCLE FRIENDLY COMMUNITY

*If you see these signs in your community, Oklahoma City could be ready for Bronze!*

### FEEDBACK

Using a Complete Streets approach, expand the bike network and increase network connectivity through the use of different types of bike lanes, cycle tracks and shared lane markings. On-street improvements coupled with the expansion of the off-street system will improve safety and encourage people of ages and abilities to bike.

Commit to comprehensive bicyclist and motorist safety education programs that reach a significant portion of the population.
