FEEDBACK

Produced in collaboration with community stakeholders in a workshop hosted by Bike/Walk Central Florida and Healthy Central Florida:

Create a network and map of family-friendly bike routes including bike boulevards and add separated bicycle facilities on high speed/volume streets.

Offer more youth bicycling educational opportunities

Develop and scale a regional public safety awareness campaign to educate both motorists and cyclists of the rules, and their rights and responsibilities.

Launch a public bike share system that ties in with Orlando Bike Share.
