Adopt a Complete Streets policy and offer implementation guidance.

Increase the amount of high quality bicycle parking at popular destinations throughout the community.

Adopt standards for bike parking that conform to APBP guidelines.

Continue to expand the bike network and to increase network connectivity through the use of different types of bike lanes and cycle tracks. Particularly focus on building better connections across the highway and roads such as Hafen Lane or Old Mill Rd that narrow to one lane.

Continue to expand your public education campaign promoting the share the road message. Take advantage of your local bicycle groups for content development and staffing.

Expand encouragement efforts during Bike Month in partnership with local bicycle advocacy groups.

Promote cycling throughout the year by offering or supporting family-oriented community and charity rides, free bike valet parking at events, and bicycle-themed festivals, parades or shows.

Offer bicycling skills training opportunities for adults more frequently. There are options from short videos and 1-2 hour courses to more in-depth training incorporating in-classroom and on-bike instruction.
