### Feedback

- Adopt a vulnerable road user law with a minimum safe passing distance to address bicyclist safety.
- Adopt a statewide Complete Streets policy. The National Complete Streets Coalition has a model state policy and other resources to ensure adoption and implementation.
- Adopt federal funding project rating criteria that incentivize bicycle projects and accommodations. The state is spending a low amount, less than 0.63 percent, of federal funding on bicyclists and pedestrians.
- Conduct a share the road campaign creatively addressing the issues specific to your state.
- Conduct a bicycle economic benefit study to showcase the positive impacts of bicycling for tourism, health costs, economic development, job creation, and transportation return on investment.
- In general, any question that was answered with "no" should be addressed so the answer can be a "yes" next year.
