FEEDBACK

- Adopt a law prohibiting a motorist from opening an automobile's door unless the motorist is able to do so safely.
- Integrate bicycle enforcement training into the police academy curriculum for new officers.
- Adopt a statewide Complete Streets policy.
- Provide specific training to engineers and planners on how to implement the Complete Streets/ Accommodation Policy in everyday decisions.
- Adopt performance measures, such as mode shift or a low percentage of exempted projects, to better track and support Complete Streets/ Bike Accommodation Policy compliance.
- Adopt a state bicycle design manual that includes design drawings, guidance on when to use established and innovative design treatments, and public engagement.
- The state could spend more federal funding on bicyclists and pedestrians. Adopt project prioritization criteria for federal funds that incentivize bicycle projects and accommodations.
- Add language to the driver's license tests that addresses the interaction between motor vehicles and bicycles.
- Establish a statewide bicycle advisory committee to provide accountability for bicycle projects and programs.
- Adopt a mode share goal for biking to encourage the integration of bicycle transportation needs into all transportation and land use policy and project decisions.
